Notice of Public Hearing

A public hearing will be conducted by the Wildlife, Parks, and Tourism Commission at 7:00 p.m., Thursday, October 13, 2011 at the KDWPT Operations Office, 512 SE 25th Ave, Pratt, Kansas, to consider the approval and adoption of proposed regulations of the Kansas Department of Wildlife, Parks, and Tourism.

A general discussion and workshop meeting on business of the Wildlife, Parks, and Tourism Commission will begin at 1:30 p.m., October 13 at the location listed above. The meeting will recess at 5:30 p.m. then resume at 7:00 p.m. at the same location for more business and the regulatory hearing. There will be public comment periods at the beginning of the afternoon and evening meetings for any issues not on the agenda and additional comment periods will be available during the meeting on agenda items. Old and new business may also be discussed at this time. If necessary to complete business matters, the Commission will reconvene at 9:00 a.m. October 14 at the location listed above.

Any individual with a disability may request accommodation in order to participate in the public meeting and may request the meeting materials in an accessible format. Requests for accommodation to participate in the meeting should be made at least five working days in advance of the meeting by contacting Sheila Kemmis, Commission Secretary, at (620) 672-5911. Persons with a hearing impairment may call the Kansas Commission for the Deaf and Hard of Hearing at 1-800-432-0698 to request special accommodations.

This 60-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on proposed administrative regulations.

All interested parties may submit written comments prior to the hearing to the Chairman of the Commission, Kansas Department of Wildlife, Parks, and Tourism, 1020 S. Kansas Ave, Suite 200, Topeka, KS 66612 or to sheila.kemmis@ksoutdoors.com if electronically. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulations.

The regulations that will be heard during the regulatory hearing portion of the meeting are as follows:

K.A.R. 115-2-3. This permanent regulation establishes the camping, utility and other fees for state parks. The proposed amendments would increase utility fees by \$1.00 to offset rising utility costs.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

K.A.R. 115-8-1. This permanent regulation establishes hunting, furharvesting, and discharge of firearms restrictions on public lands. The proposed amendments update the reference document restrictions for various properties.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

K.A.R. 115-8-9. This permanent regulation establishes camping restrictions on department lands and waters. The proposed amendments would waive occupancy requirements for prepaid state park campsites reserved through the departments electronic reservation system.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

K.A.R. 115-8-10. This permanent regulation establishes provisions and restrictions for pets on department lands and waters. The proposed amendments would allow pets in designated public-use department cabins.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

K.A.R. 115-17-1. This permanent regulation establishes legal species, harvest seasons, size restrictions, daily limits, and possession limits for commercial harvest of fish bait. The proposed amendments would remove amphibians from the list of species available for commercial harvest and are proposed in conjunction with a regulation package designed to prevent the introduction and spread of invasive species.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

K.A.R. 115-17-2. This permanent regulation establishes commercial sale of fish bait requirements. The proposed amendments would alter the list of fish and crayfish species available for commercial sale, require certification of pathogen free status, require holding and retail tanks to use a potable water source, and require receipts to accompany bait fish sales. The amendments are proposed in conjunction with a regulation package designed to prevent the introduction and spread of invasive species.

Economic Impact Summary: The proposed amendments may have an economic impact on commercial bait dealers. Otherwise, the proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the

public.

K.A.R. 115-17-2a. This new permanent regulation establishes testing procedures for certification of pathogen free status of bait fish for sale. The proposed regulation would enact testing procedures similar to those used in other states and are proposed in conjunction with a regulation package designed to prevent the introduction and spread of invasive species.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

K.A.R. 115-17-3. This permanent regulation establishes requirements, applications and general provisions for commercial fish bait permit. The proposed amendments would require certain record keeping aspects and are proposed in conjunction with a regulation package designed to prevent the introduction and spread of invasive species.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

K.A.R. 115-17-4. This permanent regulation establishes legal equipment, taking methods and general provisions for commercial harvest of fish bait. The proposed amendment would remove amphibians from the list of species and is proposed in conjunction with a regulation package designed to prevent the introduction and spread of invasive species.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

K.A.R. 115-17-5. This permanent regulation establishes open areas for commercial harvest of fish bait. The proposed amendments would remove amphibians from the open areas for commercial harvest and are proposed in conjunction with a regulation package designed to prevent the introduction and spread of invasive species.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

K.A.R. 115-17-10. This permanent regulation establishes permit requirements, application, reports, and permit revocations for commercial harvest of fish. The proposed amendments would update and streamline the regulation and are proposed in conjunction with a regulation package designed to prevent the introduction and spread of invasive species.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the

public.

K.A.R. 115-17-11. This permanent regulation establishes legal equipment and taking methods, identification tags and identification tag fee for commercial harvest of fish. The proposed amendments would update the regulation and are proposed in conjunction with a regulation package designed to prevent the introduction and spread of invasive species.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

K.A.R. 115-17-12. This permanent regulation establishes legal species, seasons, size restrictions, daily limits, and possession limits for commercial harvest of fish. The proposed amendments would require that certain species of fish be dispatched prior to transport after commercial harvest and are proposed in conjunction with a regulation package designed to prevent the introduction and spread of invasive species.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

K.A.R. 115-25-14. This exempt regulation establishes statewide limits and open season for fishing in Kansas. The proposed version would establish a new trout location and adjust length and creel limits for certain water bodies.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable negative economic impact on the department, other agencies, small businesses or the public.

Copies of the complete text of the regulations and their respective economic impact statements may be obtained by writing the chairman of the Commission at the address above, electronically on the department's website at www.kdwpt.state.ks.us, or by calling (785) 296-2281.

ECONOMIC IMPACT STATEMENT

K.A.R. 115-2-3. Camping, utility, and other fees.

DESCRIPTION: This regulation establishes the overnight and annual camping permit prices, fees for utility connections, and related fees within state parks. This is a user fee regulation and the proposed amendments would increase the cost of utility fees by \$1.00.

FEDERAL MANDATE: None.

ECONOMIC IMPACT: The changes are anticipated to generate an estimated additional \$80,000 in FY 12 and \$160,000 in FY 13, all of which will accrue to the Park Fee Fund. Otherwise, the proposed amendments are not anticipated to have any appreciable economic impact on the department, small businesses, other agencies, or the public.

ALTERNATIVES CONSIDERED: None.

115-8-1. Department lands and waters: hunting, furharvesting, and discharge of firearms. (a)

Subject to provisions and restrictions as established by posted notice or as specified in the document adopted by reference in subsection (e), the following activities shall be allowed on department lands and waters:

- (1) Hunting during open seasons for hunting on lands and waters designated for public hunting;
 - (2) furharvesting during open seasons for furharvesting on lands and waters designated for public hunting and other lands and waters as designated by the department;
 - (3) target practice in areas designated as open for target practice; and
 - (4) noncommercial training of hunting dogs.
- (b) Other than as part of an activity under subsection (a), the discharge of firearms and other sport hunting equipment capable of launching projectiles shall be allowed on department lands and waters only as specifically authorized in writing by the department.
- (c) The discharge of fully automatic rifles or fully automatic handguns on department lands and waters shall be prohibited.
- (d) Department lands and waters shall be open neither for commercial rabbit and hare furharvesting nor for commercial harvest of amphibians and reptiles.
- (e) The department's "~~KDWP~~ KDWPT fisheries and wildlife division public land special use restrictions," dated ~~April 6, 2010~~ July 18, 2011, is hereby adopted by reference. (Authorized by K.S.A. 32-807; implementing K.S.A. 32-807; effective Dec. 4, 1989; amended July 13, 2001; amended May 16, 2008; amended May 15, 2009; amended July 23, 2010; amended P-_____.)

ECONOMIC IMPACT STATEMENT

K.A.R. 115-8-1. Department lands and waters; hunting, furharvesting, and discharge of firearms.

DESCRIPTION: This permanent regulation establishes certain requirements for and restrictions on certain activities on department lands and waters, including hunting, furharvesting, and other discharge of firearms. Over a period of many years, posted notice has been used to restrict access to certain properties and enhance recreational opportunities. Many of those posted notice restrictions have become long-term policies and to better inform the public as well as enforce the posted notices, the department has consolidated many of those notices into a reference document for adoption by reference. This is an update to that reference document.

FEDERAL MANDATE: None.

ECONOMIC IMPACT: The proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies, small businesses or the public.

K.A.R. 115-17-1. Commercial harvest of fish bait; legal species, harvest seasons, size restrictions, daily limits and possession limits.

DESCRIPTION: This permanent regulation establishes the legal species, harvest seasons, size restrictions and daily and possession limits for the commercial harvest of fish bait. The proposed changes to the regulation would eliminate amphibians from the list of species harvested for commercial fish bait. This amendment is proposed in conjunction with similar amendments to other regulations governing commercial harvest of fish bait in order to prevent the introduction and spread of invasive species.

FEDERAL MANDATE: None.

ECONOMIC IMPACT: The proposed amendment could have a negative economic impact on any individuals or businesses currently harvesting amphibians for sale as fishing bait, however, that number is believed to be extremely small. No other economic impact is expected for the department, other state agencies, small businesses or the remaining public.

ALTERNATIVES CONSIDERED: None.

ECONOMIC IMPACT STATEMENT

K.A.R. 115-17-2. Commercial sale of fish bait.

DESCRIPTION: This permanent regulation establishes the legal species that can be sold for commercial fish bait. The proposed amendments would eliminate restrict the species of fish and crayfish that can be sold as commercial fish bait, require certification of pathogen free status before import or sale, require the use of a potable water source in distribution and holding tanks and the sale of bait accompanied by a receipt. This amendment is proposed in conjunction with similar amendments to other regulations governing commercial aspects of fish bait designed to prevent the introduction and spread of invasive species. Other amendments are editorial.

FEDERAL MANDATE: None.

ECONOMIC IMPACT: The proposed amendment could have a negative economic impact on any individuals or businesses currently selling crayfish or other native fish not on the list as bait. However, the economic ramifications of introduction of invasive species is equally damaging to the economy of the State of Kansas. No other economic impact is expected for the department, other state agencies, small businesses, or the remaining public.

ALTERNATIVES CONSIDERED: None.

115-17-2a. Commercial sale of bait fish; testing procedures. (a) Live aquatic bait shall be certified free of the following pathogens before import or sale, according to the requirements in this regulation:

- (1) Spring viremia of carp virus;
- (2) infectious pancreatic necrosis virus;
- (3) viral hemorrhagic septicemia virus; and
- (4) infectious hematopoietic virus.

(b) On and after January 1, 2014, upon application or renewal, each applicant and each commercial fish bait permittee shall provide documentation of two consecutive years of pathogen-free status from an independent laboratory approved by United States department of agriculture, animal and plant health inspection service, for the pathogens listed in subsection (a) for the source of bait fish being sold. If the facility is new, the applicant shall certify by affidavit that the facility does not meet the requirements in this regulation and shall provide documentation of pathogen-free status for the current year of operation.

(c) The sample size shall be 150 fish and shall include moribund fish observed in the sampling process. The samples shall be collected twice each year. The samples shall be collected once during the month of October, November, or December and once during the month of March, April, or May.

(d) Collection of each sample shall be overseen by a doctor of veterinary medicine accredited by the United States department of agriculture, animal and plant health inspection service. The collection shall be made under the direct observation of the overseer to the extent that the official can attest to the origin of the fish and that the sampling scheme meets the requirements in this regulation.

K.A.R. 115-17-5. Commercial harvest of fish bait; open areas.

DESCRIPTION: This permanent regulation establishes the areas which are open for the commercial harvest of fish bait. The proposed amendment would eliminate areas for harvesting amphibians from a list of legal areas for harvesting commercial fish bait. This amendment is proposed in conjunction with similar amendments to other regulations governing commercial aspects of fish bait designed to prevent the introduction or transfer of invasive species.

FEDERAL MANDATE: None.

ECONOMIC IMPACT: The proposed amendment could have a negative economic impact on any individuals or businesses currently offering fish bait for sale. However, the economic impact of introduction of an invasive species to the State of Kansas is equally damaging. No other economic impact is expected for the department, other state agencies, small businesses or the remaining public.

ALTERNATIVES CONSIDERED: None.

115-17-10. Commercial harvest of fish; permit requirement and application, ~~authority~~, reports, general provisions and permit revocation. (a) Except as authorized ~~under~~ in K.A.R. 115-17-13, a commercial fishing permit shall be required for the taking of fish for commercial purposes from that portion of the Missouri River bordering on this state.

(b) Each application for a commercial fishing permit shall be submitted on forms provided by the department and ~~include the following information:~~

~~(1) The name of the applicant;~~

~~(2) the address and telephone number of the applicant;~~

~~(3) the business locations and the business telephone numbers of the applicant;~~

~~(4) the location of equipment storage;~~

~~(5) the location of fish storage or sale, if different from the business locations; and~~

~~(6) other information as required by the secretary and completed in full by the applicant. Each~~
incomplete application shall be returned to the applicant.

(c) ~~Each~~ Any permittee may possess, sell, transport, or trade those species of fish as authorized under K.A.R. 115-17-12.

(d) Each permittee shall maintain a current record of activity and shall submit monthly reports to the department on forms provided by the department. The reports shall be submitted not later than 15 days following the end of the month for which the report is prepared. A permit shall not be renewed until all reports due have been received by the department.

~~(e) The records and reports shall include the following information:~~
